

The background of the entire image is a stylized circuit board pattern in shades of blue and purple. The pattern consists of various lines, dots, and geometric shapes representing electronic components and traces.

# EEE DAY '24

## AMPLIFIED

**Location: BUET ECE Building**

**Date: 4-5 December, 2024**

The Electrical & Electronic Engineering (EEE) Department of Bangladesh University of Engineering and Technology (BUET) successfully organized its annual flagship event, "EEE Day 2024 Amplified" on December 4-5, 2024. True to BUET's legacy of academic excellence and vibrant extracurricular culture, this year's event showcased the ingenuity, talent, and teamwork of students while fostering connections with alumni, faculty, and industry leaders.

The event was inaugurated by the Honorable Pro Vice Chancellor of BUET, Dr. Abdul Hasib Chowdhury, who launched the grand rally. The ceremony was attended by distinguished guests, including the Head of the EEE Department, Dr. A. B. M. Harun-Ur-Rashid, Program Convenor, Dr. Ehsanur Rahman, and other esteemed faculty members. Their encouraging presence set the tone for the celebrations.

Honorable Sponsors and teachers giving the prizes to different competition winners

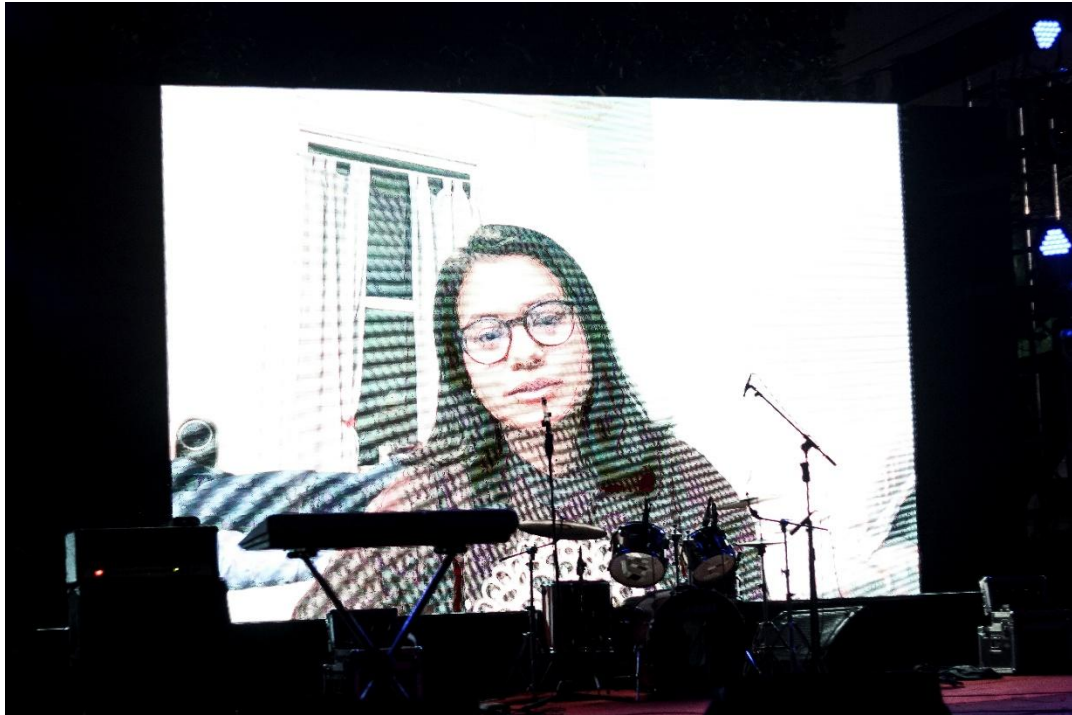

Honorable head sir and convenor sir shared short speeches on the grand cultural night

Alumni from different batches shared their experiences

Alumni from abroad shared their good wishes in video messages.

Different cultural activities by the students
