(b) The students are advised to contact his/her intended supervisor, preferably over email. Please see the departmental website (<https://eee.buet.ac.bd/people/faculty>) for research areas and research keywords of EEE faculty members. Refer to the **Live List of Supervisor Allocation:** <https://tinyurl.com/2wft2t28> for the remaining number of students each faculty member is can supervise. The email MUST contain the Application ID and active phone number of the student. The student may attach his/her *Statement of Purpose* to the email to help the intended supervisor making informed decision. They may also briefly mention their undergraduate institution, CGPA and area of research.

It is strongly advised that a student does not send a generic email to multiple supervisors at the same time.

(c) Upon consent from the intended supervisor, the student must collect the supporting document in this regard. The supporting document can be a pdf file of the email received from the supervisor, where the supervisor clearly expresses his/her consent for being the student's Thesis Supervisor for the program. Or it can be in the form of an application, which must contain signature of the supervisor who has given his/her consent.

(d) After uploading the *Consent document (PDF file of the email or Application Signed by Supervisor)* in the google form above, **the student must inform the supervisor that he/she has submitted the mentioned file.**

(e) The student's admission process will remain incomplete if the Google form is not submitted.
