

**Department of Electrical and Electronic Engineering (EEE)  
Bangladesh University of Engineering and Technology (BUET)**

**M.Sc/M.Engg Admission Test Schedule (April 2023 Semester)**

Date: 11/06/2023

All Applicants for Admission into the Postgraduate Programs (M.Sc./M. Engg.) in Electrical and Electronic Engineering (EEE) are hereby informed that the admission procedure will be held according to the following schedule:

<b>Sl. No.</b>	<b>Tasks</b>	<b>Date and Time</b>
1	List of qualified students for written examination (To be published on BUET website and department notice boards)	14/06/2023, Wednesday
2	Written Examination (Duration: One hour)	18/06/2023, Sunday Exam Starts at 4:00 PM
3	Publication of list of candidates eligible for Interview (To be published on BUET website and department notice boards)	20/06/2023, Tuesday
4	Interview for candidates (All original documents and NOC must be brought)	21/06/2023, Wednesday, Starts at 10:00 AM
5	Publications of Selected Candidates (To be published on BUET website and department notice boards)	21/06/2023, Wednesday, 8 PM
6	Consent letter from prospective supervisor	21/06/2023, 8 PM -to- 24/06/2023, 5 PM
7	Registration	29/06/2023 to 10/07/2023
8	Class Starts	03/07/2023, Monday

The admission test will include the following subject areas:

<b>Sl. No.</b>	<b>Subject Areas</b>
1	Electrical Circuits
2	Electronic Circuits
3	Energy Conversion
4	Engineering Electromagnetics
5	Continuous Signals and Linear Systems
6	Digital Electronics
7	Power System
8	Electrical Properties of Materials
9	Communication Systems
10	Digital Signal Processing
11	Solid State Devices
12	Power Electronics
13	Control System
14	Microprocessors and Embedded Systems

Twenty (20) short questions/problems will be set from the above subject areas and the candidates are required to work out/solve those questions (NO MCQ). Each question will carry 5 (five) marks.

Postgraduate (M.Sc./M. Engg.) Admission Committee

Department of EEE, BUET, Dhaka-1000.
