

**Department of Electrical and Electronic Engineering (EEE)  
Bangladesh University of Engineering and Technology**

**MSc./M. Engg. Admission, April 2023**

**Notice on Student No. Generation and Supervisor Allocation**

July 2, 2023

The students Nos are generated for the selected candidates in **MSc./M. Engg. Admission, April 2023** (i) who could find a supervisor and (ii) does not have any objection from DSW office (for EEE, BUET students only)/who does not require any equivalence of degree report (for other than EEE, BUET students) and uploaded. You can now start paying admission fees and register for courses accordingly. EEE webpage, department notice board has necessary information on the offered courses, class time etc. For further queries, send email to: [lutfakter@eee.buet.ac.bd](mailto:lutfakter@eee.buet.ac.bd)

**For others, admission committee will generate student's Nos right after receiving equivalence of degree report which is expected to be in hand on July 3, 2023. Generation students Nos is also subject to finding a supervisor. Students who could not find any supervisor yet will be contacted soon regarding the issue.**
